Everyone was complimenting how pretty I was on my wedding day! I'm super thankful for Joyce as she managed to help me cover up my pimple when I had a pimple outbreak on my wedding day! The makeup was long-lasting and it lasted for my outdoor shoot!

- Michelle Ho

Joyce did multiple makeup looks and hairdos for my prewed and actual day and I loved every single one of them! She made sure I was comfortable throughout which made the long hours much more bearable. She also went out of her way to do many things to ensure that everything went smoothly.

- Weini Tan

Joyce is very skilled, meticulous and has a keen eye for details. I felt very comfortable throughout, even when she was doing my eyelashes and hair. My makeup looks natural and flattering. I LOVED my braided hairdos too! Even my husband was impressed when he saw them!
